

CLAIRE KENT

Claire studied at Swindon College where she acquired a HNC in Business and Finance. She has worked in finance for the last six years for a number of different organizations. Previous to this she worked as a primary school teacher, after having gained a BA Hons with QTS from Brighton University. She has a varied background having also worked in administration, sales and recruitment.

When Claire was a small child she attended ballet classes with Marie McCluskey, and although this never led to any formal dancing she still enjoys dance in all its forms, today.

Claire joined the YDA team as Finance Administrator in September 2010.
